Alan Tudyk is coming to Dragon\*Con now. This now increases the Whedon-Verse count to 5. The other guests include James Marsters, Nathan Fillion, Jewel Staite and Morena Baccarin.

If you've ever been to Dragon\*Con before, you know that it is one of the largest conventions in the country every year, and it's only increased in size. This year looks to be absolutely insane, as I've mentioned previously. The Marsters/Fillion fangirl crowd will be in full force, and it's almost scary to think about it.

Please be careful while walking through the Marriot, 'cause there's a good chance you will be stuck to someone dressed up in a costume that makes them sweat profusely.

May God keep you safe. Dragon\*Con begins August 29th in Atlanta, GA.
